

REPEATER USE AGREEMENT

I, CASDY A. HICKS KJTXE, being the repeater trustee, hereby authorize the Clallam County Amateur Radio Emergency Services to conduct emergency communications on the WTFEL 146.760 repeater in time of emergencies and to perform drills as directed by the CCRACES/ARES Steering Committee. Emergency communications in the form of a drill or actual emergency will take precedence over all other repeater use. This agreement shall remain in effect unless canceled by either party with a 30-day written notice.
