

## PART 2: CLALLAM COUNTY ARES NET CONTROL OPERATOR SCRIPT

---

At **1858** call: QST QST QST, The Clallam County ARES Net starts in two minutes. Echolink check-ins can begin now. This is \_\_\_\_\_ (Use an accurate timepiece, preferably an 'atomic' clock.)  
Your call sign

At **1900** call: QST QST QST This is \_\_\_\_\_, Net Control for the Clallam County Amateur Radio  
Your call sign  
Emergency Service Net. My name is \_\_\_\_\_. This is a Directed Net. Always use phonetics when checking in or breaking the Net. Please do not leave the Net without notifying Net Control. Plan to stay on this Net until the call for change to the Simplex Nets. (Un-key.)

The purpose of this Net is to coordinate activities of the Clallam County ARES organization and test our radio equipment. Before we begin the check-in is there any **emergency or priority traffic**? (un-key)

HF Net Control, do you have a frequency for tonight's HF Net?

During check-in, please list any **routine traffic** or announcements for the Net, which will be passed after Roll Call. I will acknowledge any visitors first. Please come now, giving your call, name and location. (Un-key, and take visitor check-ins.)

This is \_\_\_\_\_. Roll Call begins now. If you are not acknowledged by Net control, please check in during the call for late or missed members. (Conduct the Roll Call from the **ARES Short Roster**. Note the time, to help you observe the **FCC 10-minute ID** rule.)

Roll Call is completed. Are there any late or missed members? (Un-key, and take check-ins.)

**Re-call any stations previously identified as having traffic or announcements in the order received.**

This is \_\_\_\_\_ is there any further business for this Net? (Un-key, and handle business.)  
Your call sign

Next week's Net control operator is \_\_\_\_\_ (announce call sign from the NCO Schedule.)

Clallam County ARES meets every month on the first Tuesday at 1900 hours in the EOC at the Clallam County Courthouse, or at the Forks City Hall. The two meetings are linked by video conferencing. This Net meets on the remaining Tuesdays. (Un-key.)

We thank the Clallam County Amateur Radio Club for use of their repeater. Their Net meets on Thursdays at 1900. Their meetings are on the second Wednesday of the month at the Port Angeles Fire Department, 5th and Laurel Streets, in Port Angeles. (Un-key.)

Last call for any further business, late or missed members, or visitors. (Un-key, and handle traffic.)

This is \_\_\_\_\_. Please switch to your community SIMPLEX Nets and check-in:  
Your call sign

- Forks use Channel 35 (147.500)
- Port Angeles use Channel 36 (147.520)
- Sequim use Channel 38 (147.560)
- The County-wide HF SSB net will be held immediately after the Simplex Nets are over

ALL simplex Net Control operators return to this frequency to report check-in data to Net Control, who will standby. This frequency is now cleared for normal use. This is \_\_\_\_\_ (un-key.)  
Your call sign

(Do not forget to report total check-ins to the Net Coordinator.)
